

EASY PAY AUTHORIZATION

Fill out only if you checked the box for electronic funds transfer (EFT) as your method of paying your monthly premium.

Easy Pay authorization

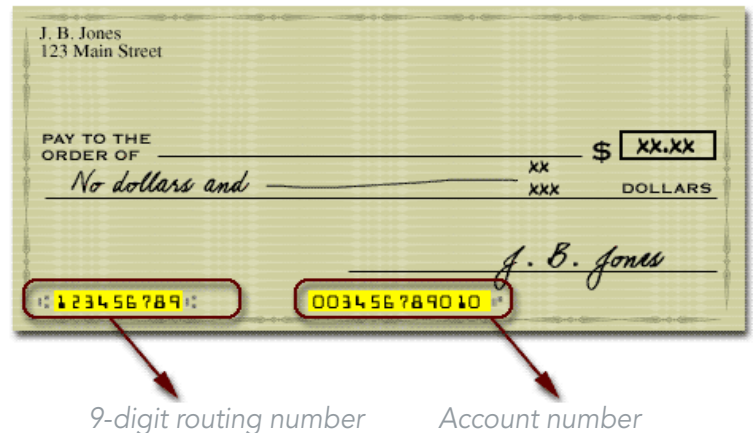

What is Easy Pay? Easy Pay is a convenient and practical way to pay your monthly premium, helping to make sure you never miss a payment. On the 15th of every month, Mid Rogue Health Plan will communicate directly with your bank to deduct the premium for that month. You will not receive premium billing notices from us while Easy Pay is in effect. Your monthly bank statement will show the amount withdrawn for your CareSource Medicare Advantage premium.

How to stop Easy Pay: Send us a letter or stop by the CareSource/Mid Rogue Health Plan office to let us know you would like to discontinue Easy Pay. Canceling this premium payment arrangement does not end your coverage. Please allow up to 15 days to stop Easy Pay deductions.

How to sign up for Easy Pay:

1. Fill in the information below.
2. Attach a voided check.

It may take up to one month to complete the Easy Pay arrangement with your bank. If you receive a premium bill, the funds transfer process has not been completed and you should make the payment. Easy Pay will take effect for the following months and you will no longer receive a premium bill.
